MISSION STATEMENT

Located in the Chestnut Ridge region of middle Tennessee, we strive to help parents meet educational goals they set for their children whom they educate at home by providing guidance, support and resources in a Christian environment.

STATEMENT of FAITH

- We believe that the Bible is the inspired, inerrant, and complete work of God. It is our guide for faith and practice.
- We believe in a triune God: God the Father, God the Son – Jesus Christ, and God the Holy Spirit.
- We believe that Jesus Christ came to pay the penalty for sin through His death on the cross. He then arose bodily from the dead and ascended into heaven.
- We believe that children are given by God to the parents and that parents have the authority and the responsibility to reach, nurture, train and educate their own children.

PHILOSOPHY of EDUCATION

Chestnut Ridge Academy & Satellite School starts with the premise that educational rights belong to the parents. Parents know their children's strengths and weaknesses and should be trusted to provide the best education possible with these things in mind. Within the parameters of the law, parents should be given the freedom to choose what educational method/curriculum will work best for their child(ren) and parents should be given the freedom to decide if standardized testing is a good option in any given year of their child(ren)'s education.
