KINDERGARTEN

Entrance Requirements

A child entering kindergarten must be five years old on or before August 15. Before a child can be admitted, the following records must be on file:

1. Birth Certificate
2. An up-to-date immunization record. If the required immunizations are not given, we must have a statement signed by the parent stating that the child has not been immunized and tuberculin tested because of religious convictions or other objections to immunization.

A record of these requirements must be on file in the office before your child is allowed to enter Chestnut Ridge Academy. A child does not have to enroll in school at five years of age, but enrollment must occur no later than the child's sixth birthday.

Kindergarten Graduation

In the spring, Chestnut Ridge Academy enjoys celebrating the milestone of Kindergarten graduation with family and friends of Kindergarten students by holding a Cap & Gown ceremony with a cake and punch reception.

STEPPING STONES (Preschool – 3rd grade)

Stepping Stones is a ministry of CRA. Throughout the year, we provide activities to help those with preschoolers-3rd grade. Each month we will have a field trip, a playdate, and a meeting covering homeschooling topics or Moms' Night Out. A few times a year, we will take longer field trips called Far Away Fridays—which will be about 1 ½ hours away from Fayetteville. Stepping Stones has its own registration fee since preschool students are not required to register with an umbrella.
